

remdesivir and not enough opportunity to use ivermectin or hydroxychloroquine to treat this horrific disease. This is unprecedented that people would step in.

As I understand it, hospitals are billing out over \$3,000 a day for remdesivir, but they may be getting under \$50 or \$60 a day for ivermectin or hydroxychloroquine.

The combination of doctors being prevented from doing what they want and the fact that some people are making a lot more money on one drug than the other is something the press should be looking into, and it is something I think our Oversight and Reform Committee should be looking into.

I hope if anybody is paying attention, you pick up on this story and see what the real background is. I am not an expert on the topic, but experts on the topic do believe that people are dying unnecessarily.

#### AMERICA MUST STAND WITH KOSOVO

(Mr. TORRES of New York asked and was given permission to address the House for 1 minute.)

Mr. TORRES of New York. Mr. Speaker, I proudly stand before you to celebrate the 14th independence of Kosovo, one of the world's youngest nations.

Rising from the ruins of ethnic cleansing at the murderous hands of one of the worst dictators in the 20th century, Kosovo has built a burgeoning democracy in whose heart the United States holds a special place.

Indeed, the U.S. has no greater friend in southeast Europe than Kosovo, and Kosovo should have no greater friend in the world than the U.S. We owe it to that friendship, as well as to the greater cause of democracy, to stand firmly with Kosovo as it seeks universal recognition from the international community and membership in both the EU and NATO.

The time has come for Kosovo to be given the full respect and recognition that an independent country deserves.

The United States must stand with those that not only stand with America but also stand for America. Kosovo stands for the American vision of a more democratic world.

#### HONORING THE LIFE OF HAVEN J. BARLOW

(Mr. MOORE of Utah asked and was given permission to address the House for 1 minute.)

Mr. MOORE of Utah. Mr. Speaker, I rise today to honor the life and legacy of Haven J. Barlow. Utah lost a community giant who lived to be 100 years old. It is hard to believe, but Haven's life was nearly cut short when at just 9 months old, a train struck the Model T Ford he was riding in, killing his mother and three other passengers.

Fortunately, he survived, and he lived a life full of service to others.

Haven served our country as a Navy ensign in World War II and was the longest-serving State legislator in Utah history, first elected in 1953 and served until 1995.

Haven's service to Utah and Davis County is immeasurable, where he spent much of his time focused on matters pertaining to education. He led the fight to establish and fund the first State vocational institution in Davis County, now Davis Technical College, the establishment of Weber State/Davis campus, and Utah's creation of the weighted pupil index (WPU), ensuring a child can get the same level of education regardless of where they lived.

In addition, Haven helped establish the Hill Aerospace Museum, the Freeport Center, the restoration of Utah's Governor's mansion, and was behind the original Utah Symphony Endowment Fund.

Haven was married to Bonnie Rae Ellison for 58 years before her passing, and raised six children. He is a Utah legend, and we honor him in his passing.

#### HUMAN DIGNITY IS A BASIC HUMAN RIGHT

(Ms. LEE of California asked and was given permission to address the House for 1 minute.)

Ms. LEE of California. Mr. Speaker, I rise today to celebrate the passage of the Global Respect Act. I thank Congressman CICILLINE for sponsoring this legislation and also Chairman MEEKS and the Speaker for bringing it to the floor.

Human dignity is a basic human right, yet LGBTQ individuals are often targets for harassment, violence, and even death, simply based on their sexual orientation or gender identity.

As chair of the State, Foreign Operations Appropriations Subcommittee, I am committed to protecting and promoting the human rights and dignity of all people, especially those who are marginalized and most vulnerable, such as LGBTQ individuals.

I am so proud that in the House FY22 SFOPS bill we provided \$15 million for the Global Equality Fund at the State Department and \$10 million for the protection of LGBTQ persons at USAID.

The Global Respect Act will ensure that the administration has the tools it needs to advance the rights of all human beings, regardless of who they are or who they love. This bill upholds our core values of tolerance and compassion for our fellow human beings. I want to congratulate this body for voting for this bill today.

#### HUMAN RIGHTS VIOLATIONS

(Ms. JACKSON LEE asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. JACKSON LEE. Mr. Speaker, I, too, rise in strong support of H.R. 3485, the Global Respect Act of 2021, which

mandates a listing of and visa restrictions on foreign persons responsible for or complicit in human rights violations against lesbian, gay, bisexual, transgender, queer, and intersex (LGBTQI) persons.

It is very difficult for these individuals to suffer what they suffer. This community, of course, faces discrimination, violence, and bigotry all over the world. Sixty-eight countries criminalize same-sex sexual relations, which means that more than one-third of the United Nations' member states criminalize consenting adult and same-sex sexual relations. It includes nation-states in Africa. In up to nine countries, same-sex sexual relations may be punishable by death, and so-called anti-LGBTQ-plus propaganda laws inhibit LGBTQ-plus advocacy in at least three countries.

Let me thank Mr. CICILLINE and the leadership for putting this bill forward. This is a bipartisan bill with a list of foreign individuals found responsible for human rights violations against this community.

I am supporting this bill because it has teeth because it requires denial of and limitations on visas. Let me ask the Senate to pass Global Respect Act, H.R. 3485.

#### BLACK HISTORY MONTH

The SPEAKER pro tempore. Under the Speaker's announced policy of January 4, 2021, the gentleman from South Carolina (Mr. CLYBURN) is recognized for 60 minutes as the designee of the majority leader.

Mr. CLYBURN. Mr. Speaker, I yield 6 minutes to the gentleman from Massachusetts (Mr. MCGOVERN.)

#### JANUARY 6 WOUNDS MUST HEAL

Mr. MCGOVERN. Mr. Speaker, I thank the distinguished majority whip for yielding me the time and for his commitment to justice and all necessary to make this country a better place for everybody.

Mr. Speaker, some say that time heals all wounds. In the hours right after the January 6 attack, I was hopeful that with time America might begin to heal, too; that in the wake of such a dastardly attack on our democracy, Republicans would recoil in disgust at what they had created; that after the President of the United States whipped a violent mob into a frenzy and sent them here to attack Congress, they might finally say enough is enough.

That didn't happen, and it is not going to. The Republican National Committee just called January 6 "legitimate political discourse." Legitimate political discourse? They had lead pipes and guns. They destroyed property and beat cops. Give me a break.

Sadly, this is just their latest attempt to rewrite history. Last year they called January 6, "a normal tourist visit." They continue obstructing the January 6th Select Committee.
